AudioTOUR Primeval Time Trail

- 1 Astronomische Uhr | Town Hall / Astronomical clock**
Make a mental note of how far the astronomical clock differs from the correct time. Add the single digits together in order to find out the letter in the alphabet that we are looking for. The number 2, for example, would be a B, 3 would be a C and so on. (Position 6)
- 2 Narrenbrunnen | Fool's Fountain**
If you look farther up the street, you will see a restaurant with the name 'Café Haas'. It also has another, different name which is also displayed on the front. Find the first or sixth letter in the name. (Position 3)
- 3 Geologischer Prad | Starting point geological - no puzzle**
The earth's broken crust
- 4** What is the hard rock made from carbon? You need the third letter. (Position 4)
- 5 Granitgrus | Granite debris**
There is something that tastes really good but is also capable of crushing granite. We are looking for the second letter in the English word for this cold tasty treat. (Position 5)
- 6 Elefantenkopf | Elephant's head - no puzzle**
- 7 Burg Hohenschramberg | Hohenschramberg Castle**
One of the rocks on the map is named after an animal. Which part of the animal does it refer to and how many letters does it have? The number of letters for the body part, (like leg = 3) tells you which letter of the alphabet your missing letter is - it's the same number in English and in German. (Position 1)
- 8 St. Maria Kirche | St. Mary's Church**
Which bishop consecrated the church in 1658? You are looking for the fifth or sixth letter of his first name. (Position 7)
- 9 Skulptur 9/90 | Sculpture 9/90**
The last letter needed to solve your word puzzle is the second in the sculptor's surname. (Position 2 und 8)
